

The Ames test: a methodological short review

Sebastian Tejs

Department of Environmental Biotechnology, University of Warmia and Mazury in Olsztyn, ul. Sloneczna 45G, 10-712 Olsztyn, Poland; e-mail sebastiantejs@op.pl

RETRACTION NOTICE

Tejs, S. 2008. The Ames test: a methodological short review. *Environmental Biotechnology* 4: 7-14.
has been retracted because of plagiarism of

Mortelmans, K., E. Zeiger. 2000. The Ames *Salmonella*/microsome mutagenicity assay. *Mutation Research* 455: 29-60.

We encourage all interested readers to refer to Mortelmans and Zeiger (2000)

[https://doi.org/10.1016/S0027-5107\(00\)00064-6](https://doi.org/10.1016/S0027-5107(00)00064-6)

We at Environmental Biotechnology apologize for this situation.
