

THE SECOND INTERNATIONAL
**ENVIRONMENTAL BEST PRACTICES
CONFERENCE**

SEPTEMBER 2009 , KRAKÓW , POLAND

Environmental Best Practices (EBP) 14-18 September 2009, Kraków, Poland

The Second International Environmental Best Practices (EBP-II) Conference will be held in September at the Jagiellonian University in Kraków, Poland. The EBP-II conference is organized in collaboration with The Ohio State University, Columbus, U.S.A., the University of Warmia and Mazury in Olsztyn, Poland, Institute of Catalysis and Surface Chemistry Polish Academy of Sciences Kraków, Poland, and the University of Applied Sciences in Offenburg, Germany.

The objective of the conference is to bring together researchers from academic, governmental and industrial institutions to discuss new developments and results in the field of environmental science. It is anticipated that attendees will present their knowledge and understanding of a broad spectrum of

environmental issues and solutions to the challenges facing the world today.

This conference is best suited for individuals working in the fields of Biology, Chemistry, Engineering, Government Regulation and Project Management.

Conference topics:

- Environmental Remediation
- Wastewater Treatment
- Solid Waste Management
- Alternative Energy Sources
- Environmental Toxicology
- Interfacial Phenomena in Environmental Sciences

General Chairs

MACIEJ GORA
Faculty of Chemistry
Department of Organic Chemistry
Jagiellonian University
Ingardena 3
30-060 Kraków, Poland
mgora@chemia.uj.edu.pl

MIROSLAW LUCZYNSKI
ENVIRONMENTAL BIOTECHNOLOGY
Faculty of Environmental Sciences and Fisheries
University of Warmia and Mazury in Olsztyn
Słoneczna 45G
10-957 Olsztyn, Poland
mirekl@uwm.edu.pl
