

OLSZTYN SCIENCE AND TECHNOLOGY PARK

There are many reasons to grow your company at Olsztyn Science and Technology Park:

- ▶ We focus on Information Technology, Geomatics and Satellite Technologies, and Biotechnology
- ▶ We offer almost 14 000 m² of space for rent, fully equipped laboratory units, and modern laboratory equipment
- ▶ We have space to develop new laboratories, production centers, and warehouses
- ▶ We offer professional administrative help
- ▶ Olsztyn is a city with great academic potential in biotechnology, environmental sciences (www.uwm.edu.pl), animal reproduction and food research (www.pan.olsztyn.pl)
- ▶ Olsztyn is within 2 hours of 2 airports (Gdańsk and Modlin Warsaw)
- ▶ Olsztyn is the capital city of the Polish Lake District and a great place to live with 16 lakes within the city and wonderful surroundings (www.visit.olsztyn.eu)
- ▶ And much more...
